Trike Conversion Kit for the Yamaha Roadliner and Stratoliner

We know you'll enjoy our Vantage trike as much as we have enjoyed creating it!

VANTAGE

CSC
California SideCar

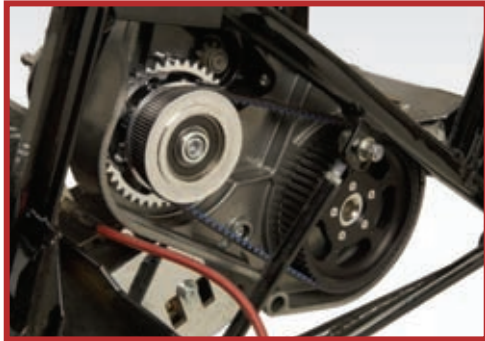

Introducing the industry's first trike kit for the Yamaha Roadliner/Stratoliner models. Designed to match the motorcycle, the trike body incorporates the chrome accents from the fuel tank and keeps the spoke wheel look and teardrop style LED tail lights of the motorcycle. It is classic CSC styling all rolled into a retro style hotrod look for the Roadliner/Stratoliner series from Yamaha motorcycles.

Night View with LED Tail Lights and Light Bar

Optional Performance Brake

Optional Electric Belt Drive Reverse

SUSPENSION

Independent Suspension

- Performance designed independent suspension with vertically stabilized opposing Rocker Mono Shock
- Shock Spring: QA1 300 lb linear wound racing spring designed to accommodate up to 650 lbs plus optional preloader

DRIVETRAIN

Drivetrain

- Twin reduction jackshaft belt drive with 50mm Gates performance belt kit and new purpose designed sprockets
- Rubber isolated drive sprocket for a smooth drive

BRAKE SYSTEM

Disc Brake System

- Standard: Alloy calipers with 11.5" purpose designed rotors
- Performance Brake (optional upgrade): Custom designed nickel plated drilled rotors with a custom twin piston billet caliper. Calipers are brushed aluminum, red anodized and engraved with "California SideCar"

REVERSE

Electric Belt Drive Reverse*

- Safety lockout switch
- Start button activated
- Illuminated activation light
- Easy, one-step deactivation
